Why Bishop Olmsted is so supportive of these efforts:

- ✓ **Systematic Formation in pro-life and Theology of the Body topics. Mandatory attendance to receive a certificate of completion benefits teens when applying for colleges and scholarships. One year certificates are also provided, so even juniors and seniors can join.**
- ✓ **Diocesan Program complements, does not compete with, parish youth catechesis. Sharing of speaker resources provides more coverage!**

What we're offering:

- ✓ **Discounts for teens in parish programs, and for siblings. \$50 reduced to \$40 for teens in youth groups.**
- ✓ **Seminars can be taken “ala carte” at \$10 each with an emailed reservation, and later be applied to registration fee if desired.**
- ✓ **Meets only 4 times a year, but seminars are content rich and engaging.**
- ✓ **Seminars are on two separate nights, in two different locations, so they don't compete with youth group nights.**
- ✓ **Credit may be given to teens who have already attended parish or school TOB classes and/or parish retreats: just ask!**
- ✓ **Credit given for service hours done for other schools or organizations.**
- ✓ **“Shout Out” at each seminar for Parish Youth Groups- “Get connected to your parish” is the message!**
- ✓ **Some parishes are bringing their entire youth group to these seminars. Come join the fun and interact with teens all over the Diocese!**
